

## Workshop Description One Sheet

**Title:** Presenting with Confidence, Clarity & Credibility

**Approximate Length:** Varies (2 hrs/Full Day)

**Who Is It For:** Anyone who needs to improve their presentation skills, address speaking fears, speak in front of groups or sell ideas to others

**Key Questions:**

1. How can I balance verbal and nonverbal messages in order to fully engage listeners and hit a home-run with my speech?

2. How do I find a success strategy that will allow me to speak powerfully and authentically?

3. How do I organize my content so it will have the most impact?

### **Description:**

You stand up to present your idea and all you can see in front of you are all of the eyeballs waiting for you open your mouth. Your heart knows they are simply waiting for information but your mind and body tell you they are Olympic judges just waiting for you to flop. Are there ways to help make this situation easier? How can you engage with your audience powerfully, authentically and easily so they will pay attention to the message and not notice your nerves?

The 3C Presentation Skills workshop helps prepare for the before, the during and the after of your keynote, your workshop or your meeting.

We will cover:

- 4 ways to inject power into your presentation
- how to find and effectively use the personal success strategy you already have
- how to organize your message for greatest engagement and impact
- 3 simple ways to connect and not just speak
